

*This Fall's installment is every bit as scintillating as last year's groundbreaking series...the series got glowing reviews in this country.*

Seattle Times

*Brit history lesson is eloquent, engaging...Irresistible...Scholarly but not pedantic...a hit for The History Channel.*

Milwaukee Journal

*Now ranking No.9 among the basic cable channels, The History Channel is wooing audiences away from droning sitcoms and the seemingly endless docket of lawyer shows...One of the reasons is 'A History of Britain'.*

Knight Ridder / Tribune Syndicate

*Hugely Entertaining*

New York Magazine

*Simon Schama's swell series.*

Entertainment Weekly

*Bloody Good Documentary.*

Time Out, New York

*Simon Schama is an historian who has the gift of making his subject come alive.*

St Louis Post Dispatch

*Marvelous.*
